Personal Message from Annika Forseth

Since I was young I've always wanted to play softball. My passion for pitching came later when I saw Danielle Lawrie pitching for the Washington Huskies. Watching her inspired me to strive and give softball 100%. Teammates and coaches inspire me but they can only take me so far. So I have taken initiative to pursue my passion. I'm 15 years old and I am proud to be a part of the Fury 18U gold team. Softball has taught me that I can learn and grow especially in a difficult game. Softball is a game of wins and losses and I think I have learned to win with grace and improve in difficult losses. Both have taught me how to be stronger mentally. Being primarily a pitcher, I have learned the importance of trusting my teammates because they support when I'm on the mound. Over the years I've realized that a good defense makes a pitcher better. Currently, I am a sophomore at Edmonds Woodway High School and I do my very best with my education. I have a GPA of 3.87 and I strive to keep my education and softball well-balanced. I am still processing what I want to do for a career, but I know God has given me a heart for kids and helping people. I have a loving family to back me up and support me along with the many friends I have made throughout my years in softball.
