Personal Message from Camdyn Robinson

Softball has taught me how to win with dignity, how to lose with grace, how to work hard, how to never quit, how to lead, and how to trust my teammates when it's all on the line. I am most comfortable playing first or third but will gladly chase down balls in your outfield. Regardless of my role I am always committed with an understanding that a team is so much bigger than just one player. I consider myself a student of the game who loves strategic play and embraces the balance of being in the moment but at the same time staying one step ahead of my competition.

As a fifteen year old I am humbly honored to have been selected to play at the 18U Gold level for Fury Fastpitch. Playing college softball is a dream of mine and it motivates me to not only work hard on the field but also in the classroom. Currently as a sophomore at Kamiak High School in Mukilteo WA I am maintaining a 3.7 GPA. All though still undecided I could see myself as an educator and a coach in the future as I am motivated by inspiring others to not only find the good in the world but to be the good.
