## Personal Message from Emily Scott

Two of my greatest passions are softball and animals. I hope to find the right combination of playing softball and majoring in some science field in college. My goal is to become a veterinarian and to be a part of a rescue program for abused animals in my career. I put 100% effort into everything I am committed to, which right now is my education/grades, softball and volleyball - in that order. Thank you for taking the time to review my information.
