Personal Message from Hannah Greninger

I have been a softball player for as long as I can remember, and there wasn't a time when I didn't put 100% into my work. On past teams, I have been a committed player who would do anything for my team. They needed a first baseman, outfielder, third-base, and shortstop, and I was there. They needed a catcher who wasn't afraid, and I gladly volunteered. All of this variety helped to improve my softball skills and overall shaped my personality. I am 16 years old and being a part of Fury's 18U Gold team is something that I am incredibly proud of. I worked my hardest to reach this standard and I am humbled that I have been given the opportunity to prove myself mentally and physically. This is a challenge that I won't give up and walk away from. Currently, I am a junior at Henry M. Jackson High School with a GPA of 3.97. Education is very important to me and I strive to find that equilibrium between softball and my studies in order to manage my lifestyle. Although what I want to pursue as my career is undecided, I know that I have my family to support me in my decisions and encourage me to push beyond my limitations and create new expectations for myself.
