Personal Message from Mary Fletcher

Hello, my name is Mary Fletcher and I am a senior attending Inglemoor High School. I want to pursue a career as a physician in the US Air Force. I've enrolled in Advanced Placement and International Baccalaureate classes in Science, English, Math and History. I have participated in other sports including 11 years of recreational soccer and 2 years of volleyball. I've been playing softball since kindergarten. I started playing fast pitch in 7th grade and select softball the following year. I also have been participating in Girl Scouts ever since I was in kindergarten. I am working on the Gold Award, which is the equivalent to the Boy Scout Eagle award. My family has played a huge part in my education as well as my softball career. My parents come to every game and encourage me to become a better player and person.
